Other Rossie names of early settlers who may have come from Scotland: (Settlers in NY State – Rossie)

Came in 1818: James Dickson, James Fairbairn, Colon McLaren, Donald McCurrie, James Henderson (same as one in Rarick?)

Came in 1819: James Hobkirk, James Ormiston. More Scottish settlers kept coming until 1832. It is thought that many of the Scotsmen who came to settle in Rossie were buried in Oxbow because of the Presbyterian Church there where they were probably members.
